Shri Mallikarjun Kharge,
Hon'ble Minister for Railways
Railway Bhawan,
New Delhi 110 001

Dear

In an endeavor to bring about a positive change to our city and the lives of the people it encompasses, I would like to draw your attention to certain points that need immediate action.

1. Rehabilitation of the slums

There are several slum pockets along unused railways land that have been built more than fifty years ago. The matter has been taken up at the centre. Request your support in attaining the NOC to rehab these slums along the unused railway lines.

2. Extension of Bridge

The residents of Quresh Nagar Kurla East, Nehru Nagar, Jagruti Nagar, Kamgar Nager have requested for extension of FOB upto the Bus stand (Transit Camp, Nehru Nagar, Kurla East) from the booking office at Quresh Nagar. The residents of this area face tremendous inconvenience for the burial of their loved ones at the Kabrasthan at Quresh Nagar.

3. Kurla FOB

The Kurla FOB which connects East to West is old and dilapidated. Given the number of people crossing it on a daily basis, will lead to disastrous consequences, if not given due attention.

4. Railway Station Bridges

The railway station bridges at Khar, Santacruz and Vile Parle are narrow and inconvenient for senior citizens, woman and children. Due to improper construction and spacing of steps and bridges, several have tripped and have got injured. These bridges are proving to be a nuisance than a boon.

It is my ardent request to you to have the said areas inspected and necessary action taken so as to resolve the difficulties faced by the people.

I have even enclosed my former letters regarding these matters for your perusal.

Yours Sincerely,

(Priya Dutt)
