Dear

In an endeavor to keep our city clean and green, I would like to draw your attention to a complain letter received from a conscious citizen. In his letter, he has informed us of the petty state of the land opposite platform number 7 at Bandra Station, which is not only an eye soar but can also be a breeding ground of contagious diseases, if not curbed in time.

It is my ardent request to you to have the said area inspected and necessary action taken.

I have enclosed the complaint letter copy dated 9th October, 2013 to Western Railways for your perusal.

Yours Sincerely,

(Priya Dutt)
